

# **MEDIA KIT**

Addictive Ads is an advertising agency that can help your business or service get noticed by the right demographic. We strategically promote your business to help you reach your target audience. With our help, you won't have to worry about getting lost in the noise of spam messages. We will help you break through and get seen!

# HOW WE DO IT

## OUR 3-STEP APPROACH

1.

**Identify your target market** -Tell us your target demographics and geographics and we will reach your target market.

2.

Addictive Ads determines the best **micro influencers** that meet your needs

3.

**Your ads** will be placed in the most optimal area and audience (A micro influencer is someone who has 100+ views on WhatsApp. A micro influencer could have up to 500 views)

**Addictive Ads** breakthrough the spam and makes your ad feel personal. We get into your target audience.
